University of Lyon, March 28, 2025

Updated on April 30, 2025

Dear Master LIVE Applicants,

STEP 1-2-3 completed: ADMINISTRATIVE ELIGIBILITY - REVIEW, PRESELECTION FOR INTERVIEW – INTERVIEW FOR FINAL SELECTION

The MyLIVE application online system closed on January 22, 2025: 1528 accounts from 96 nationalities registered on MyLIVE (M/F = 1.3); 1057 registered Applicants answered the prerequisite test (M/F = 1.3), 888 registered Applicants achieved submission (M/F = 1.3), 868 applications (M/F = 1.4) from 72 nationalities were eligible.

According to their results at the pre-requisite test, 271 applications have been independently scored by an international jury of 29 reviewers. 91% of the files received concordant evaluations by both reviewers: 24 applications have been scored by a third reviewer from the LIVE Steering Committee to rank applications with the mean score from two concordant assessments. Both reviewers recommended 201 applications for interviews.

The 102 applications (M/F = 1.0) with the highest score, from 39 nationalities have been preselected for interview. Two applicants withdrew and two were called from the reserve list for interview.

After these interviews: 24 applicants (M/F = 0.6) of 19 nationalities are selected in the "MAIN LIST", 35 applicants (M/F = 1.3) of 19 nationalities are selected in the "Reserve list" and 43 applicants were not selected. In the selected applicants (MAIN and reserve lists), 58 applicants (M/F = 1) of 29 nationalities are selected for entry at level M1 for the 2-year LIVE 2025-2027 programme, and 1 applicant is selected for entry at level M2 for the 1-year LIVE 2025-2026 programme. 97 additional files remain on the "Reserve list for interview". Therefore, we have selected a total of 156 Applicants (M/F = 1.2) from the 1528 registrations (selection rate for MAIN and reserve: 10%).

STEP 4 completed: SCHOLARSHIP AWARDING and enrolment of SELF-FUNDED STUDENTS

- ✓ Scholarship awarding:
 - 20 full 2-year merit scholarships have been requested from EACEA, agency of the European Commission. EACEA scholarship can be used to finance the studies of either one candidate selected for entry into the 2-year M1 + M2 LIVE programme, or two candidates selected for direct entry into the 1-year M2 LIVE programme. *Note for the students currently registered in the LIVE M1 2024-25 programme: by decision of the European Commission, the EACEA 2025 scholarships are strictly reserved for students newly recruited in 2025. Students already enrolled in the LIVE program since 2024 are not eligible for these scholarships.*
 - EACEA or Associated Partner scholarships are awarded according to the merit in the selection process and independently of student funding resources. In addition, scholarship-awarding respects several rules requested by our funding partners such as gender equity, a limited number of students with the same nationality in the seats with scholarships and diverse study profiles: DVM, MD, PharmD, Scientist/Engineer.
- ✓ Selected student receives their personalised letter of (conditional) admission after their answers to the questions below.
- ✓ For admission, the selected students are considered according to their merit in the selection process and their ability to be funded.
- ✓ In case of withdrawal, we respect the rules to call the next ranked applicant from “Reserve” or the “Reserve for interview” lists. Accordingly, these latest can be called for their interview.
