1. WHAT YOU MUST TAKE BEFORE YOU LEAVE

Before leaving your country, you must pay attention to take all the official documents in hand cabin luggage:

ENTRANCE IN THE SCHENGEN AREA requires your:

- (M1) Spanish or (M2) French valid visa to enter in the Schengen area via (M1) Spain or (M2) France.
- Original passport + copy,
- Admission Letter,
- Pre-Arrival Letter (provided by LIVE Administrative Coordinator),
- Your flight, bus or train ticket to go to (M1) Barcelona or (M2) Lyon. To find a cheaper flight option you may want to look for flights to a different city, and then travel by train or bus. Example for M2 students: arrival in Paris or Marseille instead of Lyon can be cheaper and then bus (<https://www.flixbus.fr/>, <https://www.thetrainline.com/>) or train (TGV <https://www.ouigo.com/> or <https://www.sncf-connect.com/>) go every hour to Lyon,
- Copy of your Insurance.

FROM BARCELONA - ES TO LYON - FR moving inside the Schengen area requires your:

- All previous 6 items &
- Return travel ticket Barcelona – Lyon (provided by email),
- Bilingual Spanish – French certificate of participation in the LIVE Master integration week (provided by LIVE Administrative Coordinator).

UNIVERSITY REGISTRATION regulations require UCBL to verify original documents with original stamp and signature (with English translation if necessary) of your:

- Passport,
- Diploma (or certificate of successful completion given waiting for the Diploma issuance),
- Transcripts

i.e. the same documents you uploaded in your MyLIVE application used for your selection or provided, more recently, to the LIVE secretariat.

In addition, UAntwerpen-BE usually asks for a digital ID picture (portrait orientation, max. 100 kb, .jpg) for the registration.

A certificate of birth can be useful for some administrative procedures depending on what you face in the Schengen area.

GENERAL INFORMATION:

Please read carefully the general information in **ANNEX 1**.

2. FOR YOUR INSTALLATION IN BARCELONA, SPAIN

From Sept 1, you reach Barcelona to settle: **Arrival in Barcelona** at various time-point. Please read **ANNEX 5** to consider the timetable of the LIVE student arrival and their housing to connect each other, if applicable.

YOUR (OPTIONAL) HOUSING AT VILA UNIVERSITÀRIA (Barcelona – ES)

A convenient way to live during your first semester is to stay at the **Vila Universitària** of UAB (Universitat Autònoma de Barcelona). It is located in the UAB campus. You may also choose another accommodation, e.g. in the centre of Barcelona. Keep in mind, however, that you will need at times to reach two different locations in one day to attend classes. Therefore, wherever you chose your accommodation, make sure that public transport is in close proximity. Check the timetables of the subway (<https://www.tmb.cat/en/home>) and the local trains (Ferrocarrils de la Generalitat de Catalunya; FGC; www.fgc.cat/en/lines-and-schedule/) to estimate your daily travel time depending on the housing location. Please contact the UAB-UB local coordinators if you have any doubts concerning accommodation.

Vila Universitària UAB

Address: Carrer de la Vila, s/n, 08193 Bellaterra, Barcelona

Phone: +34 935 81 70 04 or from Spain 935 81 70 04

Website : <https://vilauniversitaria.uab.cat/en>

You can choose studios, premium studios, and individual or shared rooms. You will find all further details about floor plans, room size, bathrooms and kitchens in the Vila Universitària webpage.

UAB LOCATION (Barcelona – ES)

Teaching is expected to be in person throughout the semester. You are thus **required to come to Barcelona before Sept 1st**, unless you experience a VISA or travel problem. Contact the LIVE Secretariat at mylive@univ-lyon1.fr in this case.

Please read your Master LIVE **Handbook S1 2025-26 “Practical information”** for the **access** to the **UAB Campus** and your housing at **Vila Universitària**, and the **map** of the UAB campus. The Handbook S1 will be provided to you by the Coordinators in Barcelona.

3. FOR YOUR INTEGRATION WEEK IN LYON, FRANCE

Students first settle in Spain by September 1 and the LIVE will send you a ticket to travel by train from Barcelona to Lyon on September 1. The integration week is organized in Lyon (FR) from September 1 (train BCN to Lyon) to September 5 (train Lyon to BCN).

- Students from outside the Schengen area: you can enter France with a Spanish Schengen visa, but it has happened in the past that the border police (e.g. Turkish) blocked student during the transfer because the destination (France) was not that of the visa (Spain). This is why we propose that all students first settle in Spain, and then come to Lyon by train (return ticket provided by the program). Another reason is for you to come in Lyon with few belongings.

- Students from the Schengen area: if you decide to come directly to Lyon on September 1, please inform the LIVE secretariat who will adjust your train ticket from Lyon to BCN, only.

ANNEX 1: GENERAL INFORMATION

Passport, Visas

Those from countries within the European Union are recommended to travel with a valid ID. In addition, depending on individuals' citizenship, a visa may be required.

Please make a copy of your passport and visa.

French law: your passport must be valid for at least 3 months after the end date of your visa. It must also have been issued for less than 10 years to obtain a French visa. Therefore, you should enter the LIVE 2-year program year "n" with a passport expire date no earlier than December year "n+2" to be able to apply for your French visa at the end of semester 2, if applicable.

Insurance

LIVE students are covered by the Erasmus Mundus Student Protection (EMSP) insurance policy, paid by the programme LIVE. Please bring with you a copy of your insurance certificate received by email.

To learn more about your insurance and how to use it, go to

<https://www.marshsat.com/msatpublic/emsp/homepage>

Mobile phone, SIM card

Choosing a SIM card is a personal choice. Advice is available exchanging with M2 Alumni (your buddy will be soon in contact with you if not yet done) and on websites such as

<https://www.france-hotel-guide.com/en/blog/french-sim-cards-for-tourists/>

<https://www.phonetravelwiz.com/buying-a-sim-card-in-spain-guide/>

Your Spanish card will work in France too and conversely. Anywhere within the European Union for that matter, be sure to set Roaming on: "ON".

Official regulations: https://en.wikipedia.org/wiki/European_Union_roaming_regulations

Bank account

At UCBL, for any payment and/or reimbursement, we need a bank identity issued by the bank. The bank must be registered at least in one country of the Euro area: 20 countries (Austria, Belgium, Croatia, Cyprus, Estonia, Finland, France, Germany, Greece, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Portugal, Slovakia, Slovenia and Spain) are using Euro as their currency, whatever this is an online bank or a bank with physical counters. Two reasons: UCBL is not allowed to send money coming from taxes of European citizens outside Europe and you will save money if the bank directly uses euros because you will not have to apply an exchange rate upon receipt of payment.

Choosing a bank is a personal choice. Advice supported by the answers collected in the LIVE quality control survey: your LIVE colleagues of the previous promotion could easily open a bank account in online banks such as "Wise", "Revolut" or "N26" with no issues to use and they quickly obtained their bank identity statement. Each LIVE student (with or without scholarship) must send his/her **bank identity issued by the bank** to the email mylive@univ-lyon1.fr as soon as possible. Then, we can enter your bank account information in the UCBL system: this first step takes 1-2 weeks so the sooner we receive your bank identity, the better it is for your payments and/or refunds.

Scholarship payment for concerned students

The payment of the European scholarship will start to a European bank account after the checking of original papers (Diploma + transcripts + passport) and the official enrolment of the student at UCBL.

Subsistence payment: there is a checking of the daily student presence in the programme on the 20th of the month so that you can receive your scholarship around the last day of the month, each month. First payment around Sept 30, provided that we timely received your bank identity (translation in French: “relevé d’identité bancaire” abbreviated in “RIB”; in Spanish = “Detalles del banco”) to operate the transfer.

Please send your bank identity issued by the bank to mylive@univ-lyon1.fr as soon as possible.

Arrival with 1-2 months of living costs

Using the student facilities, you can live in Barcelona, Antwerp and Lyon with 1100€ per month. However, we warn scholarship students that UCBL needs 2-4 weeks to settle the payment of the scholarship, after providing your bank account statement issued by your bank. We therefore advise you to come with savings equivalent to one or two months, as far as possible. If you encounter difficulties that you cannot resolve jointly with your family or friends, share your difficulties with the first semester Coordinators.

Emergency phone numbers

- ✓ in Spain:

The general emergency phone number for medical issues/ambulance, fire fighter and police is 112.

Currency

The official currency in the LIVE countries (Spain, Belgium and France) is the Euro.

Catering, restaurants

Among adaptations when you live in different countries, there are the hours you take your meals, if you intend to use the country cookers and restaurants... just ask your browser “meal times in Spain, Belgium and France” and you will discover that meal times are different and also the snacking habits, which are very developed in Spain and to a lesser extend in Belgium while unlike other Europeans, French don't snack much, preferring to eat in three meals.

ANNEX 4: PUBLIC TRANSPORTATION MÉTRO-TRAMWAY-FUNICULAIRE MAP (LYON – FR)

WARNING: in touristic cities, such as Barcelona and Lyon, watch your belongings in nodes of public transportation because they are the favourite field for pickpockets. In Lyon, the hot-spots are: Guillotière, Saxe-Gambetta, Charpennes, and to a lesser extend Bellecour, Perrache, Gare Part-Dieu.

To find your way in Lyon public transportation, you can use the TCL website <https://www.tcl.fr/en/journey-planner/route-finder> or the “TCL” application for mobile phone.
