# LIVE UNIVERSITIES

The Erasmus Mundus Joint Master "Leading International Vaccinology Education" (EMJM LIVE) is organized by a consortium of **5 full partner universities** awarding the **Master degree** and **62 associated partners**.

1

UNIVERSITAT AUTÒNOMA DE BARCELONA (UAB)  
BARCELONA, SPAIN

2

UNIVERSITAT DE BARCELONA (UB)  
BARCELONA, SPAIN

3

UNIVERSITEIT ANTWERPEN (UANTWERPEN)  
ANTWERP, BELGIUM

4

UNIVERSITE JEAN MONNET (UJM)  
SAINT - ETIENNE, FRANCE

5

UNIVERSITE CLAUDE BERNARD LYON 1 (UCBL)  
LYON, FRANCE, COORDINATOR.

## APPLICANTS

LIVE is a **2-year Master of Science** and **multidisciplinary programme**, open to well-motivated students who are top-level Bachelor or equivalent degree (180 ECTS). Students are required having a fluent certified level of English.

## SCHOLARSHIP BENEFITS

Erasmus+ & Industrial **Scholarships** for European & Non-European Applicants will be assigned to students by the LIVE Consortium according to their merit in the selection process.

## MASTERS' MOBILITY

academic training is organised at leading European Universities, awarding 120 credits (30 / semester) for **2 years in at least 3 places**. Students move from Barcelona (ES), via Antwerp (BE) then Lyon (FR), to the Partner of the world (S4) they choose for their Master internship worldwide.

## DIPLOMAS & JOB OPPORTUNITIES

**Triple Degree awarded** from Barcelona, Antwerp & Lyon-Saint-Etienne universities with LIVE Erasmus Mundus Joint Master European Diploma Supplement  
**Job Opportunities:** International Manager in vaccinology for QA, Business dvpt, Com. for public health, Project management, R&D, and (65% Graduates) PhD training funded by Partners.

Applicants can also directly **access the LIVE M2 second year** when the LIVE selection Jury recognizes four years of successful higher education as achievements equivalent to LIVE M1 first year (scientists, pharmD, Vet, MD)

Submit your application before January, checking in the website application platform access & calendars
