- 3) You will find **interview guidelines for applicants on page 3**.
- 4) You will find your schedule on pages 4-6. **Please be ready on time from the beginning of your slot** because we may contact you earlier or later than the indicated hour in your slot.
- 5) **Please note that you will access the lobby and the Jury will open the lobby when ready**: the web link to access the video classroom is sent to your applicant email according to your Jury. When Jury members are not with you, they discuss with other applicants and are not available. Thank you for your patience, do not worry, we will admit you in the video classroom.

The LIVE admission team is pleased to publish on the LIVE website the list of applicants scheduled for interview including date and hours in Lyon (FR) local time i.e. **GMT / UTC + 1h**, page 4-6.

Withdrawals from the main list allow us to call Applicants from the reserve list for interview, page 7-9. Therefore, we advise these Applicants to survey their mylive email.

The reserve list is used:

- before and during the interview period, if we have withdrawals of Applicants pre-selected for interview.
- after the interview period, if we have withdrawals of Students selected for the Master LIVE.

We have only one reserve list, used for all seats, with and without scholarship. You have already indicated if you can be self-funded and whether you wish to be called also for these seats. If your status changes, please notify us at mylive@univ-lyon1.fr, we will update our database to monitor the reserve list correctly.

Full scholarships for 19 seats will be awarded according to the merit in the selection process and independently of your funding resources. If you have not been successful in obtaining a full scholarship, you can still be called for a self-funded seat according to your ability to fund your studies. As a reminder, if you have not been successful in obtaining a full scholarship, you can still be called for a self-funded seat according to your ability to fund your studies. As a reminder, to follow the LIVE program as self-funded student, you need:

- € 9,000 per year to cover your university costs
- € 1,400 per month to cover your life costs including installation, subsistence, travel and accommodation in Europe.

From our experience, during your 6-month internship, you can earn from 0 to € 7,000 depending on your hosting institution; it can be more, exceptionally, depending on your diploma in hands (i.e. if you can be paid as an engineer, DVM, PharmD or MD).

It happens each year that a few selected applicants from the Main list withdraw. Then, we call applicants from the reserve list, according to their merit in the selection process but also considering the characteristics of the released seat (for example for self-funded applicant only) and the selection rules (for example: max 10% students with the same nationality for the seats with scholarship awarded during the LIVE_Innov program).

If applicable, your questions are welcome on mylive@univ-lyon1.fr

Sincerely yours,

Prof. Christine DELPRAT
Master LIVE Coordinator
